On this day, we bow our heads in gratitude to Allah Almighty for the blessings of the fruition of our endeavors and dedication in the pursuit of knowledge. May Allah lead all of us on to the path of righteousness and virtue and guide us on the way of utilizing our knowledge in our practical lives. May further honor and glory come to the recipients of degrees today and may they serve the nation and the country in true spirit of faithfulness, humility and devotion.

Allah! Inspire these young men and women with the earnest desire of expanding their knowledge further and give them the capability of contributing positively to the humanity. Allah! mould their minds and hearts according to the teachings of Islam and make them follow the path of truth with zeal and determination. Oh Allah! Inculcate in the minds of these young men and women, the sense of gratitude to their parents, to their teachers and to the Country, which nourished them physically, intellectually and spiritually.

Allah! endow them with the character of humility, simplicity, integrity and patriotism and make them aware of their weaknesses, so that they may be able to address their shortcomings. Allah! Grant them success in every field they go to and make them beacons of light for the succeeding generations of students. Allah! We request thee to shower renown and repute on our University and grant it greater powers to continue spreading light and truth for all times to come.

BUIEMS Markhor

We are thrilled to present the Markhor as the official mascot of Balochistan University of Information Technology, Engineering & Management Sciences (BUIEMS), Quetta a symbol that embodies the spirit, resilience, and pride of our academic community. Majestic and iconic, the Markhor serves as a dynamic representation of the values that define us and the journey of growth and learning that our university represents.

The Markhor, with its regal demeanor and imposing horns, stands as a beacon of strength, resilience, and unwavering determination – qualities that resonate deeply with the ethos of our academic institution. Its distinctive, spiraled horns symbolize the intricate paths of knowledge, illustrating the depth and complexity of the educational journey our students undertake.

Incorporating the Markhor as our university's mascot is a deliberate choice to instill a sense of pride and identity within our community. The Markhor's keen eyesight signifies a commitment to foresight, insight, and intellectual clarity, essential qualities for those dedicated to the pursuit of knowledge and understanding.

As our mascot, the Markhor not only represents our university at sporting events and gatherings but also becomes a living embodiment of the values we hold dear. Its posture exudes confidence, intelligence, and an unwavering commitment to excellence in academia. The Markhor inspires our students, faculty, and alumni to face challenges head-on, to navigate the twists and turns of academic exploration with resilience, and to emerge victorious in the pursuit of knowledge.

Moreover, the Markhor's association with the mountainous region of Quetta fosters a sense of belonging among the BUIEMS community. It serves as a reminder of the rich cultural and natural heritage that envelops our academic institution. Whether it graces university merchandise or stands proudly in campus promotions, the Markhor serves as a visual embodiment of the university's identity, echoing the strength and resilience that define both BUIEMS and the mountainous landscape of Quetta.
